APPENDIX D – TERMS & CONDITIONS OF SALE

1. The Bowra Group Inc., in its capacity as the Trustee (the “**Trustee**”) of the bankruptcy estate of Halo Metrics Inc. (the “**Company**”) will consider written offers to purchase the Company’s right, title and interest, if any, in the Company’s assets listed in Appendix B (the “**Assets**”) of the Request for Offers to Purchase dated November 18, 2021 (the “**ROP**”).
2. If any offer is accepted by the Trustee, then notification of such acceptance shall be transmitted to the successful offeror (the “**Purchaser**”) by notice in writing sent to the Purchaser at the address set forth in the Purchaser’s offer. Such notice may be given by electronic transmission or any other form. The Trustee’s acceptance of any offer may be subject to any condition that the Trustee chooses to impose, including the requirement for court approval.
3. The completion of the purchase and sale under an accepted offer shall take place at such place and time (the “**Closing Date**”) as the Trustee may advise the Purchaser in writing.
4. At the Closing Date, provided that the Purchase Price (as defined below) together with all applicable taxes have been paid, the Trustee shall execute and deliver to the Purchaser all such bills of sale, transfers, deeds, assignments, and other documents as may be reasonably necessary to convey the Company’s interests in the Assets listed in the Purchaser’s offer (the “**Purchased Assets**”) to the Purchaser in exchange for payment of the purchase price set out therein (the “**Purchase Price**”). Any such transfers, deeds, assignments, and other documents shall be in a form and content satisfactory to the Trustee (acting reasonably) and shall not contain any covenant or representation other than as specifically provided in these Terms and Conditions of Sale (as defined below).
5. By submitting an offer, the Purchaser acknowledges that it has inspected the Purchased Assets and that the Purchased Assets are sold on an “as is, where is” and “without recourse” basis, with no representations, warranties or conditions, express or implied, as to title, description, fitness for purpose, merchantability, quantity, condition, cost, or quality thereof, or compliance of the Purchased Assets with environmental laws and requirements, or in respect of any other matter or thing whatsoever. Without limitation, all of the Assets are specifically offered as they exist on this date and with no adjustments to be allowed to the Purchaser for changes in conditions, qualities, or quantities from the date hereof to the Closing Date. The Purchaser acknowledges that the Trustee is not required to inspect or count, or provide any inspection or counting of the Assets or any part thereof and the Purchaser shall be deemed to have relied entirely on its own inspection and investigation, including an independent investigation by the Purchaser of current and past uses of the Purchased Assets, to satisfy the Purchaser as to the effects of any environmental laws, regulations or requirements upon the Purchased Assets, or the transfer to the Purchaser of the Purchased Assets. It shall be the Purchaser’s sole responsibility to obtain, at its own expense, any consent to such transfer or assignment as may be necessary or desirable for the transfer to the

Purchaser of the Company's right, title and interest, if any, in the Purchased Assets, as well as any permits, licenses or other authorizations, including, if required, the consent of any municipality or lessor of the Purchased Assets, with the exception of obtaining any court orders.

6. The Purchaser shall assume, at its cost, complete responsibility for compliance with all municipal, provincial, and federal laws insofar as the same apply to the Purchased Assets and the use thereof by the Purchaser.
7. The Trustee shall not be required to produce any tax certificate, clearance certificate, abstract of title or documents or copies thereof or any evidence as to title, unless such documents are in its actual possession.
8. All offers must be in the form of offer attached as Appendix C to the ROP. Supplemental information must be in written form, signed by a duly authorized officer(s) of the entity making the offer. Any offer received, including offers received that are not in the prescribed form, or which amend the form of offer, may, at the sole discretion of the Trustee, be rejected.
9. All offers must be accompanied by a bank draft payable to the "The Bowra Group Inc. – In Trust" or an electronic funds transfer payment ("**EFT**") to the bank account of the Estate of Halo Metrics Inc., in an amount equal to not less than 10% of the gross Purchase Price (the "**Deposit**"). The Trustee will provide bank account details to facilitate an EFT of the Deposit upon request. If the offer is accepted by the Trustee, this draft or the EFT shall be deemed a non-refundable cash deposit. If the contemplated sale is not completed by the Purchaser by reason of the Purchaser's default, the Deposit shall be retained by the Trustee on account of liquidated damages, and the Trustee shall be entitled to pursue all of its rights and remedies against the Purchaser.
10. In consideration of the Trustee making available to purchasers these Terms and Conditions of Sale, any other information, and the opportunity of inspection, and/or in consideration of receiving and considering any offer to be submitted hereunder, the Purchaser agrees that its offer is firm and irrevocable and will not be retracted, withdrawn, varied or countermanded for a minimum of seven (7) days after it has been delivered to the Trustee.
11. In the event that two or more of the offers received by the Trustee are substantially in the same terms and/or amounts as determined by the Trustee, the Trustee may, in its sole discretion, call upon the parties who submitted those offers to submit new or revised offers to the Trustee for final consideration. Each offeror agrees that the procedure contemplated under this section is a fair and reasonable manner of proceeding in the event of offers in substantially the same terms and/or amounts.
12. On or before the Closing Date, the Purchaser shall pay to the Trustee the balance of the Purchase Price, agreed upon expenses, plus all applicable federal and provincial taxes,
